Continuation of Substance of Interview including description of the general nature of what was discussed: Attorney Garvey was contacted to approve a supplemental examiner's amendment to overcome improper claim dependency as indicated and/or requested from PUBS. However, the examiner was informed by Attorney Garvey that the applicant was not planning to pay the issue fee and the case would eventually go abandoned, and an examiner's amendment was not necessary. Thus, the requested corrections of the case are deemed unnecessary and have not been treated..
